

Fundscrip Gift Card Program

Want an easy way to earn credits towards your skating registration fees? Do you buy groceries? Gas? Clothes? If you answered yes to any of these questions then the Fundscrip Gift Card Program is perfect for you! It's easy to use!

This gift card program provides a simple way to raise funds for Skate Kingston and reduce your future registration costs at the same time. When you purchase gift cards for retailers through the Fundscrip program and Skate Kingston you will get the full value of the card and Skate Kingston automatically receives a percentage of your purchase. This percentage (profit) will be allocated 50/50 between the skater's credit account and Skate Kingston.

A complete list of retailers is attached and the percentage discount is also on the form. These orders will be placed every month and the cards will be returned to you by the following week. Completed order forms can be handed in or emailed to Bonnie Howse (bhowse@cogeco.ca) or to Carolyn Crotty (ccrotty@cogeco.ca). Please include payment for your orders with cheques payable to Skate Kingston. Here are the order dates up to the end of 2014:
