We look at the information that you provide in the PARTICIPANT Profile on Uplifter to help determine all Skater placements in groups.

CanSkate is a 45-minute program taught in a group format by certified coaches and focuses on continuous movement emphasizing the use of dynamic group teaching concepts including fast track, fun zone and station rotation. The CanSkate curriculum is organized into three fundamental areas; Balance, Control and Agility which concentrate on forward and backward skills, stopping, edges, speed, turning and jumping. Skaters will receive ongoing incentives and a report card at the end.

Fundraising Commitment:

Fundraising is a very important part of any non-profit organization. At Skate Kingston this will help to keep ice and program costs reasonable for everyone and contributes to events that are held throughout the year. This money will be used for the following Skate Kingston events: Theme Days, Ice Show, and AGM & Awards Banquet.

There is a mandatory \$30.00 fundraising fee required for each family enrolled in Skate Kingston Recreational Programs for the combined Fall/Winter or the separate Fall and/or Winter Sessions. This mandatory fundraising fee paid with registration may be recouped by selling chocolates that total a value of \$30. These chocolates will be distributed sometime during the first few weeks of the session.

Families with skaters in both CanSkate & STARSkate programs are ONLY required to do the STARSkate fundraising and volunteer commitments (see STARSkate package). Fundraising fee is NOT charged to families that have a statement of request for financial assistance (e.g. Jump Start), but volunteer commitment applies (see STARSkate package). Skaters moving to STARSkate from CanSkate during the fall or winter season will be required to fulfill all or partial STARSkate volunteer and fundraising commitments depending on length of season remaining. Fees would be determined and pro-rated.

Name/Photograph Release:

Permission for name/photograph publishing (e.g. publishing results, photographs in local papers, other printed material or postings on the Skate Kingston website or other social media) must be reviewed and completed during the online registration. Please direct any concerns or questions to the Office Administrator.
