## APPENDIX A: Skate Kingston Skating Level Matrix

**Skate Kingston's qualifications for STAR A, B & C are based on STAR points outlined below.**

LEVEL	FREESKATE	SKILLS	DANCE
<b>STAR A</b> 0-4 STAR points	Must have completed CanSkate Stage 6		
<b>STAR B</b> 5-17 STAR points	Need Completed STAR 1	Need Completed STAR 1	Need Completed STAR 1
	<b>AND</b> at least 5 STAR points total		
<b>STAR C</b> At least 18 STAR points	Need Completed STAR 4	Need Completed STAR 6	Need Completed STAR 6
	<b>AND</b> at least 18 STAR points total		

*Note: Please see the point system below to determine points.*

### POINT SYSTEM:

STAR Level	Freeskate points	Skills points	Dance points
STAR 1	1	1	1
STAR 2	2	2	2
STAR 3	3	3	3
STAR 4	4	4	4
STAR 5	5	5	5
STAR 6	6	6	6

*Note: This point system continues to STAR 10*

Skaters can have different levels (points) for the different disciplines of FreeSkate, Skills and Dance – but must have certain overall total points for qualification for the sessions. In addition to the total points to be on a session, skaters must have completed certain tests to qualify.

**Example 1:** Jenny has completed her full STAR 2 Freeskate; STAR 4 Skills; and all STAR 3 dances. See green highlight for points total. Jenny has a total score of  $2+4+3 = 9$ . Based on the chart above, Jenny qualifies for B session.

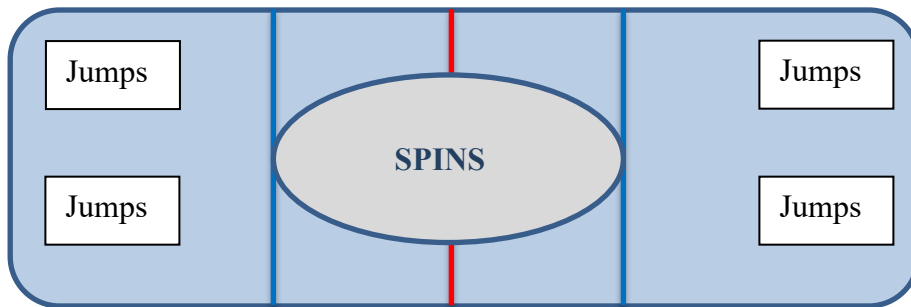

**Example 2:** John has completed his full STAR 1 Freeskate; STAR 1 Skills; and STAR 1 dances. He is working on his STAR 2 dances but has not passed all of them. See purple highlight for points total. John has a total score of  $1+1+1 = 3$ . While John has all the level requirements for STAR B, he does NOT have the STAR points need to be eligible for STAR B. He is therefore eligible for STAR A.

Skate Kingston aims to promote a safe, supportive environment for the skating community that equally respects our common interests and our differences for all skaters to enjoy the sport and fulfill their individual goals within a team spirit.

## Guidelines for safe and fun skating sessions

- Always make sure you are looking out for other skaters, even when you are skating backwards. **Pay attention at all times.**
- You can practice your spins in the middle oval of the rink. You can practice your jumps in the corners of the rink.

- **Individuals skating to program/dance music have the right of way in ALL cases.** *Listen and recognize music and look to see who is skating.* This means that other skaters and coaches (even those in a private lesson) should leave space for those doing their program/dance to their music. Skaters should ask their coaches to identify solo/dance music so it can be recognized.
- If another skater is having a lesson with their coach, please make sure you get out of their way (unless you are doing your dance or your program to music).
- All skaters who accidentally run into each other or cut each other off are encouraged to say "I'm sorry" or excuse themselves in a polite manner, even if it appears that the other person is more at fault. It shows graciousness, maturity and respect – qualities that bring out the best in all of us.
- If you fall, get up immediately.
- Please do not interrupt coaches when they are working with other skaters.
- Please show courtesy to all skaters and coaches. If you get in another skater's way, please be polite and apologize.
- Skaters can request to have their music played only ONCE outside of their lesson. If time permits, they can play their music once more in a lesson. Please make sure to sign up on the music sign-in sheet.
- Skaters are NOT permitted to use personal electronic devices while skating.
- Warm-ups are NOT permitted in the lobby space at INVISTA. The only place skaters can warm up is outside (lots of green space) or in our rink by the boards/in the changerooms. This includes practicing jumps, jump-rope, cardio, etc.
- All skaters must get off the ice as soon as the session ends, and before the Zamboni starts flooding.
